wire services, the Texas Historical Commission, WorldFest International, and the Emmy Awards. His

He points out the injustices of the old system.

ings, he is indicted on felony charges by the Texas Attorney General's office. The rest of the book is a play-by-play description (with commentary) of Hubbard's prosecution and his lawsuit against Lubbock County District Attorney Travis Ware and others under the RICO Act.

But it has no clear documentation of legal or journalistic sources (even textural references are unclear or incomplete), and it makes no serious effort at being either good history or good fiction.

Andrew B. Preslar

The dust jacket promo is right—it is an exciting story. The problem with the book is not with its plot or its attention to detail, but with its cockamamie of...
