Summary of Continuous Improvement Efforts since Last Report

Provide a brief description of how assessment results have been used for program improvement. Point to a specific example of how an assessment provided the program with data it could use for improvement and what that improvement was, if possible, also show evidence of the improvement. You may look at data from the two previous academic years to support this case.

## English M.A. IE Outcome 3

Students in the M. A. in English program will be aware of the professional leadership opportunities that await them and the ethical standards, particularly in academe, to which they will be held. Students will achieve this outcome through written and oral examinations in ENGL 5335 Introduction to the Profession or other courses.
