## Bachelor of Science in Nursing

## Annual Program Report Template

Year	:2022-2023
Program: BSN in Nursing	Nursing
Contact Person (include email & phone#)	Oynthia. Sinson@lamar.edu

## Summary of Continuous Improvement Efforts since Last Report

Provide a brief description of how assessment results have been used for program improvement. Point to a specific example of how an assessment provided the program with data it could use for improvement and what that improvement was, if possible, also show evidence of the improvement. You may look at data from the two previous academic years to support this case.

## Respond here:

Graduating senior students are administered HESI Specialty Exams and an Exit HESI Exam to determine their ability to Pass the NOLEX National Qualifying exam. It is projected that graduating seniors HESI Medical-Surgical Specialty Exam class mean should be greater than or equal to 900 to predict success on the NOLEX Qualifyins

with patients/clients and members of the interprofessional and intraprofessional evidence-based findings.

Oritical Thinking section of the Med-Surg Specialty HES. Spring 2023
exam mean 978the score
improved from
fall 2022 which
indicates that
we are
improving in
theis area of
critical thinking
with the
revisions to
curriculum

pass rates for 1st time writers at >88% (average for the NCLEXRN nationally in 2018 84%). (average for NCLEX RN 2023 84%)	NCLEX on first attempt.			education of faculty, and changes in evaluation
84%)				

Table 2. Continuous Improvement Results Since Last Report

Stage 4: ACT		
Actions/Goals Based on Data Results	Status	Discussion of Status
	C=Complete	If C, describe efforts that led to accomplishment of
progress toward continuous improvement on those	P=Progressing	actions/goals.
here.	N=No Action Taken	If P, provide update on progress made toward
		accomplishing actions/ goals and what tasks
		remain
		If N, discuss why action toward accomplishing
		actions/goals has been delayed and what work will
		be initiated toward accomplishment.
The mean on the HES Specialty exam will be 850 for seniors demonstrating the ability to provide integrated care to clients based on common	Complete this is a yearly goal to meet accreditation and Board of Nursing regulations	<ol> <li>Updates and review of entire curriculum- entire curriculum had changes in 2023 there is a revision to May 2023 NOLEX</li> </ol>
and complex health needs		2. Updated

		7.
Practices competently Consistent with contemporary practice, the curriculum	Complete this is a yearly goal to meet accreditation and Board of Nursing regulations	Ourriculum was revised including- end of program student learning outcomes (EPSLOs)
incorporates established professional nursing standards, guidelines, and competencies and has clearly articulated endor-		<ol> <li>There were added evaluation strategies including but not limited to: case studies, simulations, group projects, outside speakers, and revised tests.</li> </ol>
program student learning		3. The following were revised End of Program Outcomes based on DECs Board of Nursing, ACEN Standards 2023, and American Association College of Nursing standards (ACEN). These went into effect Fall 2022.
		<ol> <li>Course revisions based on DECs Board of Nursing, ACEN Standards 2023, and American Association College of Nursing standards (ACEN). These went into effect Fall 2023.</li> </ol>
		5.
Synthesize clinical reasoning and judgment in nursing practice utilizing critical thinking, nursing process, research and evidence-based practice	Complete this is a yearly goal to meet accreditation and Board of Nursing regulations	<ol> <li>There were added evaluation strategies including but not limited to: case studies, simulations, group projects, outside speakers, and revised tests.</li> <li>A grant was implemented that provided rural telemedicine health.</li> <li>Revision and update of curriculum</li> </ol>
		<ul> <li>4 A grant was obtained to provide simulation education.</li> <li>5 A grant was obtained to provided resources to enhance simulation center and pay a part time adjunct faculty member to assist in simulation.</li> </ul>
Maintain the annual NOLEX RN pass rates for 1st time writers at >88%	Complete this is a yearly goal to meet accreditation and Board of Nursing regulations	HESI Specialty exams and Exit exams     Updates and review of entire curriculumentire curriculum had changes in 2023 there is e a revision to NOLEX     Update and revision to evaluation strategies
